

## Electronic Funds Transfer (EFT)

Enjoy Savings & Convenience with EFT!  
**NO SERVICE FEES**  
**NO MAILING OR POSTAGE**  
**NO MORE MONTHLY BILLING STATEMENTS**

### How EFT Works

1. Your **premium** is divided into **equal installments**. The premium amount will be withdrawn directly from your bank account each month. The payment date is based on the effective date of the policy.
2. **Continue to pay any paper billing notices until you receive a confirmation letter along with your EFT payment schedule. If the payment amount changes for any reason, you will receive a new schedule of payments prior to the change.**
3. The EFT Payment Option is the most convenient way to pay your insurance premium. To begin using EFT, simply complete the form below, and return to our office by mail, fax or email.
